

The Donna Lewis Radio Station Website List for Shout – March '08

This is a list of the radio stations that Shout, the first single from Donna's new album In the Pink has been sent to. Many of the station websites have a request form so you can request that they play Shout. In other cases, you can find the general station contact email or phone number and request Shout that way. The more people call or write in to request Shout the greater impact it will have on how the song charts.

These radio stations really do pay attention to which songs are being requested so remember, every request counts!
